

### Twin-motor industrial Wet&Dry vacuum cleaners for the toughest application

Whether it's a factory floor or warehouse loading bay, when spills happen they need to be cleaned quickly and effectively. Apart from the mess, unattended spills can create a hazard that can prove both dangerous and costly.

Reliability is essential when purchasing a vacuum, for daily maintenance cleaning.

The essential requirement is a unit that will go on cleaning powerfully and quickly, day-in and day-out.

The ATTIX 961-01 is more than up to the task, for both spills and maintenance cleaning – even in the toughest conditions.

Thanks to the 38 mm standard equipment the ATTIX 961-01 is a "Plug & Play" ready to use machine.

### PRODUCT FACTS

- Two motor industrial performance.
- Washable PET Fleece, big surface filter for high efficiency and low maintenance costs.
- Push & Clean filter cleaning system for high efficiency.
- Stainless steel tiltable and removable 70 L container for perfect handling and disposal.
- Complete package with 38 mm accessories with stainless steel tubes and 400 mm wet&dry floor nozzle.
- 10 metre cable for a large working radius.
- Applicable for wet & dry pick up by reliable floating system.
- Robust fleece filter bag standard
